**GOSPEL REFLECTION:** Theme: *We are Eucharistic people. We live in praise and thanksgiving.*

Only one of the lepers returned to give thanks. This past week, when have you stopped to thank someone for something good they have done for you? When have you thanked God this week?

**STEWARDSHIP:** In their gratitude for being healed, both Naaman, the Syrian general, and the leper in today's gospel offered profound expressions of faith. So it is that the life of the Christian steward is based on a life lived in gratitude. Naaman was willing to offer a fortune to the prophet. The leper was willing to accept a whole new way of life in Christ.

Embracing a sense of gratitude is often lost in our "I want more" culture. But when we truly understand what it means to be grateful, we begin to develop an awareness of all that God has given us. Ask yourself this week: Do I live each day with a sense of gratitude? Am I really thankful for the gifts I have received?
